

ZEM LONGEVITY
WELLNESS CLINIC ALTEA

ZEM PRO-AGEING PROGRAMME

Our ZEM Pro-Ageing Programme is specifically designed for those who wish to embrace the passage of time with prevention, health and wellbeing

Minimum duration of the programme: 7 nights
Recommended duration 14 / 21 nights

All our programmes are personalized and tailored to each guest's needs and physical condition. Each programme includes **accommodation in a Deluxe suite and all the guest's meals from their specific nutritional plan.**

Objectives

- * Promote healthy ageing
- * Reduce stress
- * Improving emotional wellbeing
- * Practice of a healthy, sustainable and conscious lifestyle
- * Improve vitality and energy
- * Optimise skin health
- * Strengthen cognitive function

Methodology

- * Rigorous study to identify each guest's clinical problems or needs
- * Determine the holistic therapeutic approach
- * Innovative treatments which deliver powerful anti-stress effects to strengthen a healthy longevity
- * Nutritional supplements developed exclusively for ZEM Wellness Clinic Altea
- * Possibility of completing the programme with an extensive range of advanced medical treatments
- * Reinforcement techniques - Boosts - covering all areas of health and wellness

Nutritional Plan: Raw 80/20

The Raw 80/20 plan is designed to strengthen the body's cells and keep oxidative stress and chronic inflammation under control, helping to prevent cellular ageing. It consists of 80% raw food intake versus 20% cooked food intake.

Before starting the ZEM Pro-Ageing programme it is essential that guests undergo the ZEM health check to confirm that the programme is safe and suitable for their specific needs.
