BALANCE & VITALITY

ZEM DETOX PROGRAMME

WELLNESS CLINIC ALTEA

As part of a holistic approach, the ZEM Detox Programme encourages guests to make effective lifestyle changes that will improve their health, including digestive, mental, cognitive and physical detoxification.

Minimum duration of the programme: 7 nights
Recommended duration 14 / 21 nights

All our programmes are personalised and tailored to each guest's needs and physical condition.

Each programme includes **accommodation in a Deluxe Room and all the guest's meals from their specific nutritional plan.**

Objectives

- Enhance the detoxification of the body and advocate an effective lifestyle change
- Improve health through physical, cognitive, emotional and mental cleansing
- Eliminate unwanted toxins, improve digestive health, increase energy and vitality to reduce stress and improve emotional wellbeing while strengthening the immune system

Methodology

- Personalised combination of nutritional advice, medical treatments and wellness therapies, alongside physical exercise
- State-of-the-art treatments with proven benefits for regeneration and improvement of the metabolism, and recovering sleep quality

Nutritional Plan: Detox

The Detox nutrition plan aims to restore the body's balance by promoting our bodies' physiological purification principles. Its food plan is based on a selection of seasonal vegetables, seeds, cultures, gluten-free cereals and natural supplements.

Before beginning the ZEM Detox programme, guests must undergo the ZEM health check to ensure the programme is safe and suitable for their individual needs.
