# ZEM PRO-AGEING PROGRAMME

Our ZEM Pro-Ageing Programme is specifically designed for those who wish to embrace the passage of time with prevention, health and wellbeing.

Minimum duration of the programme: 7 nights Recommended duration 14 / 21 nights

All our programmes are personalised and tailored to each guest's needs and physical condition.

Each programme includes accommodation in a Deluxe Room and all the guest's meals from their specific nutritional plan.

# Objectives

- \* Promote healthy ageing
- Reduce stress
- \* Improving emotional wellbeing
- Practice of a healthy, sustainable and conscious lifestyle
- Improve vitality and energy
- Optimise skin health
- Strengthen cognitive function

# Methodology

- \* Rigorous study to identify each guest's clinical problems or needs
- Determine the holistic therapeutic approach
- \* Innovative treatments which deliver powerful antistress effects to strengthen a healthy longevity
- Nutritional supplements developed exclusively for ZEM Wellness Clinic Altea
- \* Possibility of completing the programme with an extensive range of advanced medical treatments
- \* Reinforcement techniques Boosts covering all areas of health and wellness

### Nutritional Plan: Raw 80/20

The Raw 80/20 plan is designed to strengthen the body's cells and keep oxidative stress and chronic inflammation under control, helping to prevent cellular ageing. It consists of 80% raw food intake versus 20% cooked food intake.

Before beginning the ZEM Pro-Ageing programme, guests must undergo the ZEM health check to ensure the programme is safe and suitable for their individual needs.
