

The ZEM Weight Management programme offers guests a set of strategies and medical guidelines to achieve and maintain a healthy body weight, while improving their overall health.

Minimum duration of the programme: 7 nights Recommended duration 14 / 21 nights

All our programmes are personalised and tailored to each guest's needs and physical condition. Each programme includes accommodation in a Deluxe Room and all the guest's meals from their specific nutritional plan.

Objectives

- * Control and manage body weight in a conscious and comprehensive way
- Reduce body weight while acquiring a series of skills and healthy habits that can be maintained in the long run

Methodology

- Exhaustive initial assessment, which integrates a detailed analysis of each guest's eating habits, level of physical activity and body composition
- Supervision by a multidisciplinary medical team of doctors, nutritionists, psychologists, therapists and personal trainers
- Promotion of the Mediterranean Diet thanks to the organic and Km 0 products grown on our Finca Althaya

Nutritional Plan: Detox

The Detox nutrition plan aims to restore the body's balance by promoting our bodies' physiological purification principles. Its food plan is based on a selection of seasonal vegetables, seeds, cultures, gluten-free cereals and natural supplements.
